JW GROWTH & DESIGN / PROJECT CASE STUDY

Sinclair's Garden and Landscaping Services

CLIENT PROJECT - REVIEW COPY

THE BRIEF

Present a local landscaping business clearly, put real work photographs at the centre, and make WhatsApp the preferred enquiry route.

01
Explore services

02
Inspect real projects

03
Start an enquiry

VALUE ADDED

- Business branding brought into one website
- Services and project evidence in one place
- Clear routes to start a project enquiry

FEATURES IN THE BUILD

- Responsive website layout and business branding
- Before & After gallery with project filters
- Projects in progress shown separately
- Full-image viewer with navigation controls
- WhatsApp-first enquiry links and email alternative
- Website animations and synchronised device tour

EVIDENCE, NOT ASSUMED RESULTS

The repository contains the gallery, in-progress categories, image viewer and contact-preference implementation. This is evidence of website features, not measured business growth.

REVIEW BEFORE PUBLICATION

Client testimonial wording has not been supplied. No increase in enquiries, bookings or revenue is claimed. Domain/DNS, live links and contact delivery need final checks.
